### **Learning Collaborative**

### **Provider Attendance Sign-in Sheet**

The Provider attendance signature sheet for this Learning Collaborative is not available here or elsewhere on this website for viewing or downloading. However, the Anchor Entity has established a shared Google Drive link to the attendance signature sheet for participating Providers to access as needed; the link can be transmitted by the Anchor Entity to requesting Providers upon the Anchor Entity's receipt of an electronic mail requesting the attendance signature sheet; the Providers' electronic mail request should be addressed to both [sara.lopez@nchdcc.org](mailto:sara.lopez@nchdcc.org) and [melissa.quintanilla@nchdcc.org](mailto:melissa.quintanilla@nchdcc.org).

For privacy and security reasons, the links to the Learning Collaborative attendance records are only available to participating Providers.

Thank you.
