Learning Collaborative Attendance Sign-in Sheet

Attendance records documenting Provider attendees' participation in the RHP 4 Learning Collaborative you have accessed are not available on this website for viewing or downloading. However, external download links to the various attendance sheets are available to participating Providers from the Anchor Entity upon the Anchor's receipt of an electronic mail requesting the Provider attendee signature sheet. The requesting email should be addressed to sara.lopez@nchdcc.org and melissa.quintanilla@nchdcc.org with a copy to jonny.hipp@nchdcc.org.

For privacy and security reasons, the download links to the Learning Collaborative attendance records are only available to participating Providers.
